

Celebrating 50 Years of the Poster Contest!

We are inviting children from First through Fifth Grade to Participate in the 2011 Smokey Bear and Woodsy Owl National Garden Clubs, Inc., Poster Contest!

The U.S. Department of Agriculture, the Forest Service, and the National Garden Clubs, Inc. are giving students the opportunity to demonstrate, through original drawings of Smokey Bear or Woodsy Owl their understanding of wildfire prevention and basic environmental conservation principles.

ONLY YOU CAN PREVENT WILDFIRES!

Smokey Bear is recognized nationally and internationally as the symbol for fire prevention. The original Smokey Bear appeared in 1944. Smokey's message, "Remember, Only You Can Prevent Wildfires!" encourages personal responsibility for fire prevention. Smokey Bear teaches children and adults to be careful with campfires, barbecues, trash fires, and matches.

LEND A HAND—CARE FOR THE LAND!

Woodsy Owl is America's icon for the conservation of the environment. Since 1971, Woodsy has helped parents and teachers inspire children to observe, explore, and care for the environment.

He challenges children to "Lend a Hand, Care for the Land!" and to take an active role in caring for the land through recycling, reusing, and reducing waste; planting and caring for trees; using resources wisely such as not wasting water or electricity; and not littering.

* The National Grand Prize Winner of the Smokey Bear & Woodsy Owl Poster Contest will be honored with a Recognition Ceremony in Washington, DC. Round-trip airfare and accommodations for four will be provided.

* \$100 U.S. Savings Bonds Sponsored by the National Garden Clubs, Inc. will be awarded to each of the First Place national winners in all five grades.

Make every day an Earth Day!
